

“If we go on the way we have, the fault is our greed [to change], we will disappear from the face of the globe, to be replaced by the insect.” – Jacques Cousteau

ANIMALS THAT ARE PART OF THE MARINE LIFE

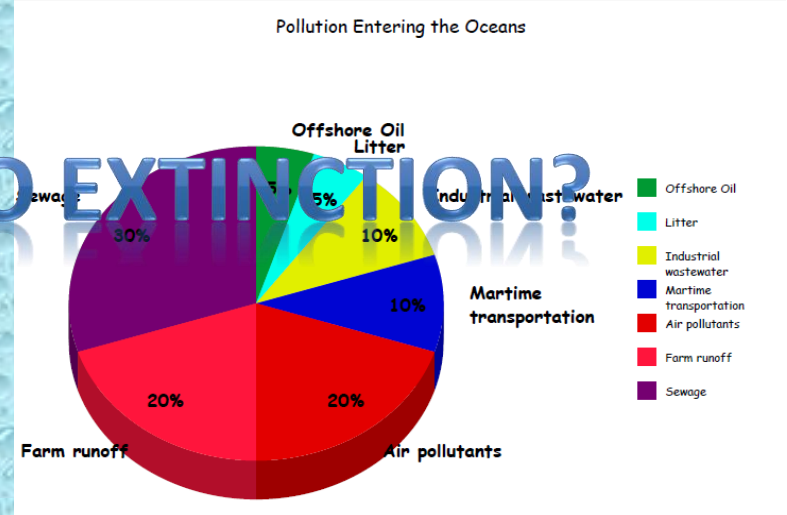

There are 51 billion marine animals killed each year for food.

“The real cure for our environmental problems is to understand that our job is to salvage Mother Nature. We are facing a formidable enemy in this field. It is the hunters... and to convince them to leave their guns on the wall is going to be very difficult.” – Jacques Cousteau
